**Instructions to Reviewers:**

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

**For Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181. (a) In the event an application is made for a patent for an invention which is a secret or confidential invention within the meaning of the espionage laws of the United States, the application shall be held in confidence for a period of 6 months from the date of filing. (b) If the application is not published within the 6-month period, the application shall be held in confidence for a period of 18 months from the date of filing. (c) If the application is published within the 6-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (d) If the application is published after the 6-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (e) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (f) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (g) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (h) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (i) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (j) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (k) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (l) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (m) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (n) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (o) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (p) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (q) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (r) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (s) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (t) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (u) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (v) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (w) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (x) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (y) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication. (z) If the application is published after the 18-month period, the application shall be held in confidence for a period of 18 months from the date of publication.
